

WINDSOR HIGH SCHOOL

Procedures for Forming a Club

1. Present a Club Request Form describing your club to Leadership/ASB.
 - Clubs should achieve one or more of the following:
 - i. Mentoring Relationships
 - ii. Community Service
 - iii. Academic/ Personal Support
2. Wait for a response from Leadership/ASB and Administration (an approval letter and packet will be sent to the club advisor). After receiving the packet begin meeting with interested persons to complete the Constitution and Budget forms included in packet. **Do not meet until your club has been approved.**

A Constitution includes:

- Historical Background
- Goal(s)/Purpose of the Club
- Officers/Leaders within the club, including advisor(s)
- Guidelines/Requirements of the club
- Schedule of meetings for the club (how often, where, etc.)
- Meeting Topics

A Budget includes:

- Sample and Explanation of Budget
- Beginning Balance
- Anticipated/ Total Anticipated Revenue
- Expected/ Total expected Expenditures
- Ending Balance

3. Submit your club's Constitution and Budget to Leadership/ASB/ Administration and wait for final approval (a letter will be sent to the club advisor). If no money will be used simply write "NO MONEY INVOLVED" on the budget sheet.
4. Leadership/ASB and Administration approves all clubs. If your club is not approved, suggestions or questions will be included. If problems are addressed, re-submit your club information.
5. Participation in Leadership sponsored "Club Carnivals" are expected. Please see the ASB Campus Connections Officer for more information.

WINDSOR HIGH SCHOOL

Club Request Form

Once completed, please return this form to the ASB Advisor.

A club is not established until request is approved and returned with appropriate signatures.

Student Name (Contact Person) _____ Phone # _____

Student Email _____

Advisor Name* _____ Room # _____

What is a Budget?

What is a Budget?

A budget is a plan of financial operation consisting of estimated revenue and expenditures for a given time and/or purpose. A budget is normally for one year. A club, class, or sport should have a budget for their school year that illustrates their anticipated revenues (how much money they plan to make or bring in) and expected expenditures (how much money they plan on spending).

A budget contains the following components:

Beginning Balance (how much money you currently have)

Revenue Anticipated (how much money you hope to bring in)

- Fundraisers
- Donations

Expenditures expected (how much money you expect to spend)

Ending Balance (the beginning balance + money in – money out)

Why?

A budget gives a club, class or sport an action plan of activities that need to be accomplished in order to supply the income for the proposed expenditures. A realistic budget based on past history will help the organization be successful in its endeavors and help eliminate the risk of spending money that it does not have.

When?

Budgets need to be prepared at the end of a school year for the following school year and should be turned in to the ASB Advisor, Administrator in charge of activities as well as to the Financial Secretary. All newly approved clubs will be required to complete a Budget before final approval is given.

How?

A Budget Worksheet and sample budget is attached to assist you in creating a budget if you need help, consult with the administrator in charge of activities, athletics or with the financial secretary.

Tips:

Consider historical data and revenue/expenditures for planned activities when preparing your budget. Expenditures must not exceed income + beginning balance. If you do not plan to raise or spend any funds during the approved school year, write “*No Money Involved*” on the Budget sheet and submit accordingly.
